He was older, more mature, and so good-looking he took her breath away. Where most people only saw a hardened MC president, she saw a man who lived his life with strength and determination, filled with an unwavering sense of loyalty, and who had earned the admiration and respect of his brothers. She longed for Cotton, to be close to him. So when he began to let her in, she didn't hesitate. She wanted him--all of him. In his arms, she felt safe and protected. She trusted him with her heart... until he broke it, nearly destroying her in the process. Can she ever learn to trust him again? Cotton is the fourth book in the Satan's Fury MC series.
