Synopsis :

Review 'In Restorying Our Lives, Gary Kenyon and William Randall present some of the latest thinking about the meaning and the making of life stories. Their comprehensive and thoughtful discussion of the stories we live by will prove illuminating for psychological theorists, researchers, therapists, counselors, ministers, educators, and many others who are concerned with how men and women create identity in today's world.'-Dan P. McAdams Charles Deering McCormick Prof. of Human Development and Psychology Northwestern University Author of The Stories We Live By Read more About the Author GARY M. KENYON is Director of Gerontology, St. Thomas University. WILLIAM L. RANDALL is Research Associate to the Chair in Gerontology, St. Thomas University. Both professors have taught and published extensively in the area of personal development. Read more The Career Trajectories of English Language Teachers ...www.symposium-books.co.uk/bookdetails/97Introduction. The Career Trajectories of English Language Teachers identifies, illustrates, compares, contrasts and provides informed reflective commentary on the ...
